## *THIS IS OUR HERITAGE*

*A college is born—from its small beginning, teachers are added, buildings are constructed, and the college grows; and so it was with William Carey College in the year of 1906. With more than half a century of growth and maturity to her credit, William Carey College looks to the future with high hopes and undaunted courage.*

*The face, as well as the name of the college, has changed within the last decade. Both academic and living facilities have been added to Tatum Court, Ross Hall, and Johnson Hall. The building program of the last ten years has provided superior facilities demanded by the increase in number and the ability of the Carey students.*

*Today we take for granted many things that have occurred on our campus to make the heritage that we value so much. The ones who planted the trees on our front campus in interesting patterns, the ones who started our*

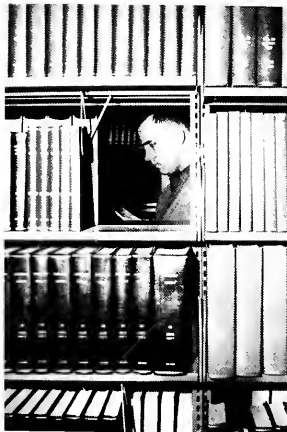

*May Day activities, the ones who have steered the physical, academic, and christian growth of our college and have given so much of their time and effort for our school: all of these, plus many more, make up a part of our heritage.*

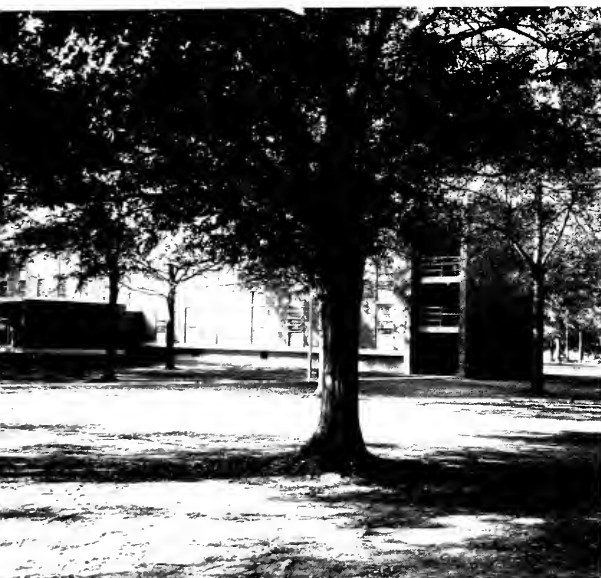

*The dreams of a brighter tomorrow loom on the horizon. We face the future with the hope that the traditions and heritage of William Carey College may be retained for our posterity and that they might further enrich this heritage.*

*By retaining the greatness of the past, we shall be able to face the challenge of the future. If this is done, the mention of William Carey College will transcend the reputation of the past, and shortly the mention of the college will recall an outstanding institution—an increasingly important and significant Liberal Arts College.*

*Those who have lived at William Carey College  
have found wealth in its heritage.*

*Yet, William Carey College is like a person.  
It lives and changes with the passing of time,  
but the original essence of its personality re-  
mains unchanged.*

*This everlasting personality is the continuous  
bond between the past, the present, and the  
future.*

*Nevertheless, we shall not rest upon the traditions  
and heritage of the past,*

**Mr. and Mrs. R. B. Thomas are carrying on the traditions of Mississippi Baptist leaders as they contribute time, money, and effort to Carey College and to Christian education.**

*Rather, deriving strength from the past, we shall look to an even brighter future.*

# *CRUSADER DEDICATION*

*1964*

MISS JEWEL HANNAH, BSU Director

*In selecting the person to whom this year's Crusader is dedicated, we have chosen a person who has been very instrumental in influencing our lives as college students. It is difficult indeed for us to express in words our feelings for such a person, one who has given so much of herself and has asked for so little in return. In recognizing her as a truly outstanding administrator and spiritual leader at William Carey College, we also find a fine individual whose ideals and principles have helped us to become better christians. Because of all of this and considering her warm personality; the years of her life which she has devoted to our college; the wholehearted interest she has shown in the lives and well-being of all of the students; her tireless work to lead William Carey to greater heights in the spiritual realm; we respectfully dedicate this small token of appreciation, The '64 Crusader, to Miss Jewell Hannah.*

A friendly chat with Rev. Hamlet.

Miss Hannah takes time out to give information to the "Cobbler" concerning the BSU activities of the week.

Miss Hannah discusses plans for the International houseparty with some of the International students.

## *PRESIDENT'S MESSAGE*

Every academic year may justly be termed a significant and important period in the history of a college. The year 1963-64 is recorded as one of the most important and meaningful periods in the life of William Carey College.

This year has been highlighted by a multitude of accomplishments and challenges in many different areas of the College. A record-breaking building program brought forth the first new dormitory for women on the campus since 1922. An air-conditioned student center was realized following the tragic June fire on

the campus. The successful completion of the \$700,000 Development Program of 1963 has issued in the completion of plans for the Thomas Fine Arts Center.

The year was marked by a record-breaking enrollment, an updating of curricula, and a new recognition for scholarly achievements.

As you view your 1964 CRUSADER in the days to come, I trust you will gain a better understanding of the importance of the past year in the life of William Carey College and of the opportunities that lie ahead.

Front Row, Left to Right: Mrs. Crawford, Mr. Bryant, Dr. McMillan, Mr. Martin. Second Row: Dr. Ross, Mr. Thomas, Dr.

Pearson, Rev. Taylor, Dr. Green, Mr. Clinton.

TOMMY RUSS

The students elected their special hostess for Homecoming, Miss Carolyn Simpson. She chose as her escort, Mr. Tommy Russ.

An alumni dinner was served and an award for special effort in the interest of the school was presented at that time. Rev. Step Martin was the recipient.

A unique feature of the 1964 Homecoming program was special interest decorations on the various campus sites. These "Disneyland Adventures" received many compliments.

ROBERT IMMS, Editor of "Cobbler"

## COBBLER

The *Cobbler*, published monthly throughout the school year as the official news organ of the student body of William Carey College, was so named because William Carey was a cobbler before becoming the father of modern missions.

The staff worked faithfully and patiently to perform the task set before them this year. We began this year with a two-fold goal in mind. We strived, first, to place

a newspaper in the hands of every student, faculty member, and visitor affiliated closely with our campus life, and second, to bring before the readers all news, views, and items which would be of interest or of value.

If you, the student, have gained any enjoyment or anything of value from the *Cobbler* this year, we feel that our goal has been accomplished.

PAUL JONES, Editor '64 "Crusader"

## *CRUSADER*

This year the annual staff has attempted to produce a book aimed at giving you a unified picture of William Carey College. This, we hope, has been accomplished. The staff has made an effort to give you a book worthy of Carey.

We have found that editing an annual is many things. It is inspiration, vision, achievement, and fulfillment.

But, most of all, it is an experience requiring the patience and endurance of the student body. For this cooperation, we are deeply grateful.

We hope this year's annual has done justice to the past year and will help to bring many pleasant memories of this unique time in our life.

I use Crest!

The latest styles at Carey!

The family portrait.

Campusology 312

Tis day before Christmas.

Listen, my children and you shall hear . . .

Oh, my darling.

The lonely ones.

She's the one.

All study and no play . . .

Eat, drink, and be . . .

Do I have to have an admittance card?

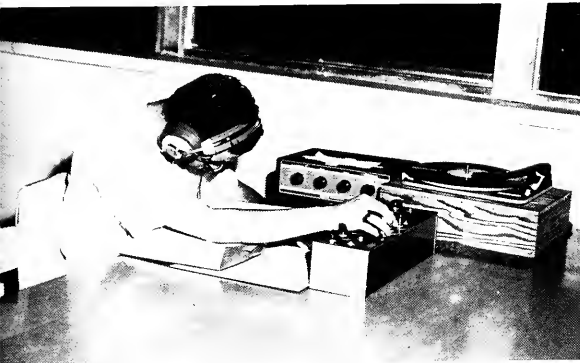

Drink deep.

Carey's Shangri-la

The last night in Tuscan Hall.

Calling Fireball XL-5

Our visitors?

What's behind the curtain?

Well, that's the best one that I have heard.

Three's a crowd

Alfred didn't, did he?

What! No boys?

All aboard for two weeks of fun.

Our Mrs. Simmons.

Our Freshman President.

All working for one cause—Sophomores.

Bernice Spears and Rita Matthews say welcome to Carey.
